COLING 2016, the 26th International Conference on Computational Linguistics will be held at Osaka International Convention Center (OICC) from 11th-16th December 2016. COLING is a premier international conference in the field of NLP and it regularly attracts more than 700 delegates from academia, industry and public organizations across the planet.

With the tremendous impact and growth of COLING over many years, we have set out a comprehensive offering of corporate sponsorship and support opportunities for industry participants. The COLING 2016 organizing committee looks forward to working closely with corporate sponsors toward continuing the 50 year tradition of successful COLING conferences and making the 26th edition one that will be long remembered and fondly recalled.

If you are interested in the opportunity, please visit <http://coling2016.anlp.jp/invitation.html>. Should you have any inquiries, please contact us at sponsor-chair@coling2016.anlp.jp.
